God; not in tables of stone, but in fleshy tables of the heart.

We as God's children have a weighty responsibility to show the world Christ by our love and actions.

II- Tablets of Stone:

There is evidence throughout the Bible that the men of God who were moved by the Holy Spirit to write the words of God knew that it was God's message at their hand. Many times they record this fact. However, what Moses received on the mountain was even more precious because it was in the handwriting of the Father.

Exodus 31:18 And he [Jehovah God] gave unto Moses, when he had made an end of communing with him upon mount Sinai, two tables of testimony, tables of stone, written with the finger of God.

Adam Clarke says that this was the introduction of written letters to mankind. He says:

It might be thought too much to assert that letters no more than language were a natural discovery; that it was impossible for man to have invented writing, and that he did not invent it: yet this may appear really the case from the following reflections: -

1. Reason may show us how near to an impossibility it was that a just and proper number of convenient characters for the sounds in language should naturally be hit upon by any man, for whom it was easy to imitate and vary, but not to invent.

2. From evidence of the Mosaic history, it appears that the introduction of writing among the Hebrews was not from man, but God.

3. There are no evident vestiges of letters subsisting among other nations till after the delivery of the law at Mount Sinai; nor then, among some, till very late."

Moses now has, after forty days and nights on the mountain the tablets that God had promised. It is time to descend the mountain again.

III- Make us gods...

Moses had given instructions to the leaders of Israel that if they needed anything that Aaraon and Hur were there. ***Exodus 24:14 And he said unto the elders, Tarry ye here for us, until we come again unto you: and, behold, Aaron and Hur are with you: if any man have any matters to do, let him***

Sights to See:

- 1- God wants those who know Him to pass that knowledge along to others.
- 2- He gave the tablets with instruction that they be taught to the people. We must be about the business of teaching the Word of God.
- 3- We must also realize we are the epistles of God and the world is reading them.
- 4- Men must be continually reminded that God is the only true God who gives deliverance.
- 5- God knows what is going on in the valley.
- 6- Our excuses for sin must sound as ridiculous as the one Aaron gave of the calf just coming out.
- 7- We are all stewards of our anger and should be made angry at the things that anger God.
- 8- The law was our schoolmaster that taught us of our need of grace. Thank God now for truth in *Romans 8:1-2 There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit. 2 For the law of the Spirit of life in Christ Jesus hath made me free from the law of sin and death.*
